The sins of the principals are often visited on the heads of the agents. If his temper has not been altogether lovely in making his answers to questions regarding his use of force in restoring the ex-queen, it must be remembered that he was instructed to perform a difficult job. The mothers in H-nolulu, who, after the arrival of the Corwin, bent over their babes in prayer, anxiously inquiring if the guns of the Philiadelphia and Adams were shotted for them, gratefully thank him that he ordered the death angel to touch, but not rest on their pillows. It is now in order that we cultivate charity and forgiveness.
